3,771	\$1,740	\$0	\$3,771	100%

This not official from Government of Alberta(<https://www.alberta.ca>) it create table chart calculation by AISH Client for allowing easy understand number how lose from ADAP financial benefits and earn from employment overall.

These number are from AISH and ADAP benefit estimator at <https://www.alberta.ca/aish-and-adap-benefit-estimator>.

It may not match as your employment income exemption calculation and this is an estimate only.

Percent Reduction: \$700 don't counting it start 701 for example if earning 800, then use $800 - 700 = 100$, then use $100 \times 1.85\% = \$1.85$, then use $\$1,740 - \$1.85 = \$1,738.15$
