

ADAP Employment Income Exemption Calculation Examples

Effective July 1, 2026

Single Exemption: The first \$700 of net employment income is fully exempt. Any amount above \$700, up is base by least 0.925% increase percent every \$50 up to \$3,406

Overview and terms of use: This tool provides an estimate based on household composition and employment income earned by you and/or your spouse or partner (if applicable) only. It does not account for other sources of income, such as pensions, Canada Disability Benefit, employment insurance and others. A caseworker at your local AISH or Alberta Supports office can assist with a comprehensive assessment or call the Alberta Supports Contact Centre at 1-877-644-9992 for more information.
